

## Register

### Description

**Professionals claiming status:** Before registering understand that if you claim a professional or academic status, initially it is trust based. However, If there is any reason to question this trusted status you may be asked to provide reasonable evidence of such. Failure to do so could result in a permanent User, email, and IP ban to protect real professionals and users on the site. We should be able to trust our communities, deceitful folks and nefarious operators will try exploit good nature.
